At its meeting on October 6, 2022 the Planning Board considered the Howard County Public School System (HCPSS) FY 2020 Capital Budget, FY 2025-2029 Capital Improvement Program, and FY 2024-2033 Long-Range Master Plan. The Planning Board evaluated the consistency between Howard County's General Plan, *PlanHoward 2030*, and HCPSS proposed capital requests.

By a vote of 5-0, the Planning Board recommended approving the plan and recommended that the Council recognize Faulkner Ridge is currently abandon and should investigate alternate uses for securing it to prevent further damage. Also, with the budget situation, consideration should be given to studying alternate funding sources.
