APPLICATION FOR ROADSIDE TREE PROJECT PERMIT
Maryland Department of Natural Resources Forest Service

Applicant’s Name:

First                                   Last

Company or Agency Name (if applicable):

☐ Check here if the entity named above is a public agency. If the applicant is not a public agency, a payment of $25.00 made payable to MD DNR must accompany this application.

Applicant Address:

Telephone Number:                                    Fax:                                    Email Address:

The applicant is (check only one):

☐ A person owning title to the land on which the tree or trees are located
☐ A governmental entity possessing an easement for the public road right-of-way in which the tree or trees are located
☐ A person responsible for providing tree care to the tree or trees
☐ A person whose property abuts the right-of-way at the point at which the tree or trees are located
☐ A public utility
☐ An authorized agent of one of the entities named above

The proposed tree care will (check only one)

☐ Eliminate a hazard to property, public safety, or health
☐ Improve or prevent a deteriorated tree condition
☐ Improve the general aesthetic appearance of the right-of-way

The complete address (street-including #, city, & zip code) where the proposed tree care will occur is:

The particular tree or trees involved are described as follows:

The type of tree care proposed is:

Contractor Performing the Tree Care Work

Company:

Contract Name:                                    Phone:                                    Fax:

Licensed Tree Expert (person providing supervision per the requested permit):

Name:                                    Lic. #:                                    Day Phone:

I. Prior to the commencement of any work performed under this permit, the applicant must contact the appropriate agency charged with maintaining the roadway that the work is to occur on (i.e. State Highway Administration, county of municipal roads departments, etc.) If any work will occur within 10’ of an overhead utility line, the applicant must coordinate with the applicable utility(s). If any ground disturbance will occur, the applicant must contact Miss Utility to locate underground utilities.

II. I affirm that I will comply with all conditions of this application and resulting permit, of the Roadside Tree Permit for which I am applying, of Annotated Code of Maryland Natural Resources Article 5-401 et. seq., and of COMAR 08.07.02. et. seq.

III. Applicant’s Signature: ____________________ ____________________ Date:
**Permit Review**  
For Official Use Only
