

## Howard County Local Emergency Planning Committee

---

---

### **What?**

Getting back to business after a disaster depends on preparedness planning done today! For small business owners, being prepared can mean staying in business following a disaster.

Come hear about the Maryland Emergency Management Agency's (MEMA) Private Sector Integration Program, which is designed to incorporate the private sector into the emergency management framework, to provide a voice to the business community during emergencies, and to increase information sharing between the private and public sectors.

Coffee, light breakfast fare, and networking will begin at 9:00 am.

### **Where?**

Roger Carter Community Center  
3000 Milltowne Drive  
Ellicott City, MD 21043

### **When?**

Thursday, May 25th  
9:30am-noon
