(3) The cash proceeds of the sale of the bonds shall be paid to the Treasurer and first shall be applied to the payment of the expenses of issuing, selling, and delivering the bonds, unless funds for this purpose are otherwise provided, and then shall be credited on the books of the Comptroller and expended, on approval by the Board of Public Works, for the following public purposes, including any applicable architects’ and engineers’ fees: as a grant to the Board of Directors of the Ellicott City Historic District Partnership, Incorporated (referred to hereafter in this Act as “the grantee”) for the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvement, and capital equipping of a mural for the Ellicott City Public Arts Project, located in Howard County.

(4) An annual State tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds, as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issuance of the bonds.

(5) Prior to the payment of any funds under the provisions of this Act for the purposes set forth in Section 1(3) above, the grantee shall provide and expend a matching fund of $25,000. No part of the grantee’s matching fund may be provided, either directly or indirectly, from funds of the State, whether appropriated or unappropriated. No part of the fund may consist of real property, in kind contributions, or funds expended prior to the effective date of this Act.
