## Reimposition of Deadlines Associated with Executive Order 2020-03 related to Historic Preservation

Pursuant to [Executive Order 2020-04](#), I have determined that the reimposition of certain deadlines is necessary for the continuity of effective government operations, is in the best interest of the County and its citizens and may be done without effecting the public health, safety and welfare. Accordingly, on this 14<sup>th</sup> day of April, I am hereby reinstating the following deadline effective immediately so that the Department may place applications on the agenda for Historic Preservation Commission meetings.

**16.605.b.3 Applications-** Provided that the application was filed with the Department of Planning and Zoning at least 22 calendar days before the Commission's next scheduled meeting, the Department shall place the application on the agenda for the next scheduled Commission meeting. The Commission shall hear only those applications which staff from the Department of Planning and Zoning determines are complete. Applications filed less than 22 calendar days before the Commission's next scheduled meeting shall be placed on the agenda for the following meeting.
