Meeting Place

Does your family have a designated meeting place? Sit down with your family and make sure everyone knows your meeting place.

If there is a fire or an emergency, my family and I will meet...

Parent Note: Be sure to ensure the chosen meeting place is a safe distance from any roadways. This includes the drive way to ensure it is clear for the arrival of emergency vehicles.

Parent and child activity.

It's a great idea to run practice drills at your home to ensure your family will know exactly what to do in an emergency.

Have a practice fire drill and run through what to do with everyone in the family. It's a good idea to practice both in the daytime and at nighttime.

Practice this activity every few months to refresh the routine with your family.
