Agenda Item: Coalition to End Homelessness Board Governance
Presenter Name: Rose Burton and Kelly Cimino
Discussion: Roles of Governing Board and Subcommittees were discussed. An updated version was sent to the Board before the meeting. That version had already been approved at the governance training.
HOWARD COUNTY COALITION TO END HOMELESSNESS

The Board is now working to sign up people as committee members. Executive Committee chairs will be pulled from the Committee chairs.

**Agenda Item: Point in Time (PIT) Count**
**Presenter Name:** Colleen Baumgartner  
**Discussion:** There will only be a county of sheltered homeless. There will be no street count due to COVID-19. PIT will take place the last week of January, the Coalition needs to pick a specific date. Consider having a survey for those in shelter and through school system. Most of unsheltered homeless have been brought into shelter due to COVID-19 non-congregant shelter program and placement in Grassroots Crisis Center shelter.

**Agenda Item: Changes to Cold Weather Shelter**
**Presenter Name:** Rose Burton  
**Discussion:** Normally the cold weather shelter is shared between local churches, synagogues and other places of worship. Due to COVID-19 they are not comfortable with hosting this year. Instead we will use hotels for cold weather shelter, much like how the non-congregant shelter program has been run. The system will be able to bring case management and other services to hotels. May also use the Day Resource Center and Leola Dorsey as overflow space. Churches will still be involved by catering hot meals and making donations.

**Agenda Item: Housing for Homeless or Imminently Homeless Youth – Youth Vouchers**
**Presenter Name:** Jennifer Corcoran  
**Discussion:** Partnership DSS is moving forward faster than initially anticipated. Will be able to use letters of intent instead of a MOU. The first youth are lined up to enter the program, with more to come soon.

**Agenda Item: Permanent Supportive Housing – Move-on Strategy**
**Presenter Name:** Jennifer Corcoran  
**Discussion:** A tool was presented to the Board for evaluating if clients are ready to move on to a Section 8 voucher from permanent supportive housing. Working with case managers to evaluate best candidates and move the first clients out of the program.

**Agenda Item: COVID-19 Funding**
**Presenter Name:** Rose Burton and Colleen Baumgartner  
**Discussion:** DCRS is shifting non-congregant shelter hotel costs from one funding source to another. They have $195,000 for funding other projects after shifting. $602,000 has been awarded from second round of State funding. Must keep funding sources separate. A budget is being prepared. Proposal will be used instead of a NOFA or RFP, which will be much simpler. Funds will be awarded to existing HSP grants. CARES CV1 March 5, 2020 – June 30, 2021. CARES CV2 start from awarded to September 30, 2022. Rapid Rehousing and Permanent Supporting housing expenses can be charged to these grants. We need to make sure funding will align properly to cover the already housed Rapid Rehousing clients at Bridges to Housing Stability. After that is paid, the remainder of funds can be evaluated for distribution.

**Meeting Conclusion Time:** Meeting closed at 3:06 pm  
**Next Meeting:** December 16, 2020 - 1:00 – 2:30PM on WebEx
