Brad asked the group if anyone looked at the Neighbor Ride and RTA Websites.
- Brian stated that he is familiar with both and asked if there should be a special emphasis on senior drivers or roads as it relates to seniors.
- Terri stated that she was hoping the group would look at both websites to see if there were any suggestions based on what we have learned from an Age-Friendly perspective and if there were any changes that this group might suggest such as ease of use. When
- Terri stated that this group may have a suggestion to make to either RTA or Neighbor Ride as to the ease of use ability. And if you did not have an opportunity to look at the Websites please do for our December meeting.
- Marian stated often on Government Websites current information is not available but both RTA and Neighbor Ride Websites were up to date. Both sites were intuitive, and one could find things. On Neighbor Ride she had trouble getting information on how to be a rider.

The group worked on the priorities of the goals in real time on the screen; updates (See Attachment)

Age-Friendly Transportation Workgroup - Draft Goals and Objectives for Consideration
Vision Statement:
Howard County will have a varied, efficient, and sustainable multimodal transportation system. This system will:

- be safe and affordable for users of all ages and abilities;
- be easy to understand, use and access;
- connect people to jobs, goods, services, and activities;
- facilitate active transportation (walking, biking, scooters)

**Homework Assignments:**
Look at both Neighbor Ride and RTA Websites and email your thoughts to Brad and Bruce by November 26, 2020

**Next Meeting:** December 8, 2020 – 3:00pm
